

Anonymous Tip Reporting Form

We understand that in certain circumstances a complainant or witness may feel uncomfortable with providing information on incidents or criminal activity. Anonymous reporters may not want to get involved or are concerned about sharing their identity when reporting. Confidential online reporting allows you to remain anonymous when providing information to The Tianjin Juilliard School (School). The Anonymous Tip Reporting Form (below) is a tool for you to report an incident or criminal/suspicious activity, with or without providing your name and contact information. When using this form, your personal information will always remain confidential unless you choose to disclose it to the School.

It is important for you to understand that the Anonymous Tip Reporting Form is not the same as the Incident Report Form because it contains limited information. As such, the School may be able to investigate the incident, however more information may be needed to sanction an individual or involve the police. Anonymous tips may serve as additional reference points for the Public Safety Office to evaluate the level of incidents or criminal activity on/around campus.

If this is an EMERGENCY, call (022) 66336498.

Thank you for your help in building a safe campus community.
